Organizational Sponsors	vii
Introduction	viii
A Letter from Governor Granholm	ix
Chapter One - A Call to Action	1
<i>Wetland Protection Spotlight: Alan Puplis and the Wetlands Conservation Association</i>	5
Chapter Two - A Valuable Resource	7
What Are Wetlands?	8
Why Are Wetlands Important?	12
Quantifying Wetland Values.....	18
Wetland Losses	19
<i>Wetland Protection Spotlight: Assessing Mill Creek’s Wetlands</i>	21
Chapter Three - Identification and Delineation	23
A Short History of Wetland Delineation.....	23
Environmental Indicators of Wetlands	25
Hydrophytic Vegetation.....	26
Wetland Hydrology.....	27
Hydric Soils.....	29
Exceptions	30
Disturbed Areas.....	31
Offsite Wetland Delineation	31
Wetland Identification Resources.....	33
MDEQ’s Wetland Assessment Program	36
Conclusion	38
Chapter Four - Activities that Impact Wetland Functions	39
Hydrologic Modifications	40
Flooding	40
Draining	41
Land Use Changes	42
Dredging.....	42
Filling.....	43
Vegetation Cutting.....	44
Exotic Species Invasion	45
Using Harmful Chemicals.....	46
Recreational Overuse.....	46
Conclusion	46

Chapter Five - Promoting Wetland Stewardship.....	47
Management Practices to Protect Wetlands.....	47
Nesting Boxes and Platforms	48
Establish and Maintain Buffers or Greenbelts	49
Protect and Enhance Adjacent Upland Habitat.....	49
Fencing	51
Control Stormwater Runoff	52
Septic Systems.....	52
Use Fertilizers and Pesticides Wisely	53
Managing Recreation.....	53
Pet Control.....	54
Beaver Management	54
Control Shoreline Erosion with Alternative Methods	56
Be Aware of Activities in the Watershed	56
Control Exotic and Nuisance Species	56
<i>Wetland Protection Spotlight: Living with Walloon’s Beavers –</i> The Walloon Lake Association.....	59
 Chapter Six - Citizen Involvement in Wetland Restoration.....	 61
Definitions.....	63
Identifying Potentially Restorable Wetlands.....	64
Planning Wetland Restoration Projects	67
Function-Based Planning Considerations.....	72
Wetland Restoration Assistance.....	76
<i>Wetland Protection Spotlight: Michigan Wildlife Habitat Foundation</i>	<i>79</i>
 Chapter Seven - Education and Outreach.....	 81
Mechanisms and Materials	82
Target Audiences	85
Adopting-A-Wetland	88
Observe Wildlife	88
Investigate Vegetation	90
Define Your Watershed.....	93
Get Your Hands Dirty!	94
Explore Hydrology.....	95
Capture It in Photos.....	98
<i>Wetland Protection Spotlight: Project Cattail – Sally DeRoo</i>	<i>99</i>
 Chapter Eight - State and Federal Wetland Regulations	 101
Michigan’s Wetland Regulatory Program	102
Other State Laws Affecting Wetlands	108
Common Law	110
The Federal Wetland Regulatory Program.....	110
The Role of Other Federal Agencies and Regulations	113
State Assumption of the Section 404 Program	115

Chapter Nine - Citizen Involvement in State and Federal Regulations	117
Participating in the Permit Process.....	118
Ensuring Enforcement.....	128
Other Options.....	130
Advocacy Guidelines	132
<i>Wetland Protection Spotlight: Cross Village “Harbor of Refuge” – Jenny Feldman.....</i>	<i>132</i>
Chapter Ten - Citizen Involvement in Local Wetland Protection.....	135
Promoting Adoption of Local Wetland Protection Programs	137
Local Wetland Protection Opportunities.....	138
Conclusion	154
<i>Wetland Protection Spotlight: Participating in Local Wetland Regulations – Carla Clos</i>	<i>155</i>
Chapter Eleven - Nonregulatory Wetland Protection Techniques	157
Binding Nonregulatory Approaches.....	157
Donation	158
Conservation Easements	159
Deed Restrictions and Covenants.....	160
Purchase	160
Eminent Domain.....	162
Tax Incentives or Private Landowner Subsidies	163
Designing Development to Protect Wetlands	163
Voluntary Nonbinding Programs	164
Michigan Natural Areas Registry	164
Natural Heritage Stewardship Award Program.....	164
Wetland Stewardship Programs.....	165
The Role of Citizens in Nonregulatory Protection Efforts.....	166
<i>Wetland Protection Spotlight: Southwest Michigan Land Conservancy – Renee Kivikko ...</i>	<i>167</i>
Chapter Twelve - Wetland Protection and Management on Public Land	169
Federally-Owned Wetlands.....	170
State-Owned Forested Wetlands.....	173
Other State-Owned Wetlands.....	178
Conclusion	178
<i>Wetland Protection Spotlight: Protecting Michigan’s Wild and Scenic Rivers – Doug Cornett.....</i>	<i>179</i>
Chapter Thirteen - Some Thoughts on Key Wetland Issues.....	181
The Impact of Wetland Regulations on Economic Growth.....	181
The Impact of Wetland Regulations on Affordable Housing.....	182
Costs of Local Wetland Regulations to Local Government	182
Local Wetland Regulations.....	183
The Value of Small Wetlands	184

The Value of Buffers	184
The Degradation of Wetlands From Stormwater	184
The Dubious Value of Wetland Classification Schemes.....	185
Wetlands Creation Cautions	186
The Problems Associated with Wetland Mitigation Banking.....	187
Proper Use of Wetland Inventories and Maps	188
Inadequate Enforcement of Wetland Regulations	188
The Issue of Regulatory Takings.....	189
The Beauty of an Ungroomed Beach	191
Avoiding the Race to the Bottom.....	192

Chapter Fourteen - Local Organizing for Wetlands Protection.....193

Some Organizing Tools	201
Building Relationships.....	206
Funding Your Group.....	207
Advocacy Tips for Wetland Activists	209
Where to Go for More Help	211
<i>Wetland Protection Spotlight: Humbug Defense Task Force – Bruce Jones.....</i>	<i>214</i>

Appendices

Appendix A: Michigan Organizations Involved In Wetlands Protection	217
Appendix B: State and Federal Wetland Regulatory Agencies	229
Appendix C: Michigan’s Wetland Law - Part 303 of Act 451	233
Appendix D: Michigan’s Wetland Law - General Permit Categories.....	244
Appendix E: Michigan’s Wetland Law - Complete Administrative Rules.....	249
Appendix F: Federal 404(b)(1) Guidelines.....	255
Appendix G: Municipalities with Local Wetland Ordinances	271
Appendix H: Resources	272
Appendix I: Glossary	275
